Debbie Field

Progress:

In Progress

- Budget Decisions for FY '08
- FY '09 Budget Sub Committee to meet Friday, April 11
- FY '10 Budget timeline/DFM requires intergovernmental budget submission by 9/1/08
- Definition of success in outcomes:
  - a. Recidivism
  - b. Data to prove accountability, efficiencies, and outcome strategies
  - c. Short term outcome
  - d. Longitudinal outcome study: Contractual/epidemiologist?
  - e. The Best Practices Sub Committee will work on items addressed in the strategic plan.

---

#### Notes

- Snapshot was presented by Ike Kimball of DHW.
- Shows progress in example given in treatment percentage.
- A third page was added to the snapshot to show cost per success suggesting that this is the best measure to determine our cost effectiveness by population.

#### 5 Drug Testing RFP

Owner:

Division of Purchasing

Progress:

In Progress

Presented by Jason Urquhart of Division of Purchasing.

---

##### Notes

- The simpler the process the simpler the RFP thus the simpler the entire process will become.
- With statewide contracts an RFP will have a public agency clause in it and the state usually doesn't mandate per se.
- With this clause, school districts, counties etc. can use it.
- Unanimous consent without objection to have a committee convene within 60 to 90 days to look at this issue. This was seconded by Dir. Russell.

#### 6 Update in 19-2524 and 20-520(i)

Owner:

Shane Evans

Progress:

Completed

---

##### Notes

- Amy Holly-Priest from BPA states that they are working on bringing the two reports of substance abuse and mental health together.
- If this is to occur, there will be a good indicator of a rate of success for the snapshot.
